

Supporting your local community

Fund direct and tangible assistance for homeless and marginalised people within the local community of New Farm, Fortitude Valley and Teneriffe by becoming a Patron of New Farm.

The Patrons of New Farm are a group of socially conscious individuals and businesses who are committed to lending a hand to the vulnerable people within our diverse community.

USE OF PATRONS' FUNDS

Patrons' funds are used on a case-by-case basis to pay for individuals' specific and immediate needs through the New Farm Neighbourhood Centre (located opposite New Farm Park) and other agencies.

This is done in a variety of ways such as:

- Assisting with one-off low-cost rent shortfalls to prevent people losing their home and entering the cycle of homelessness
- Buying an essential item such as a fridge (which allows affordable eating) for homeless people moving into accommodation
- Providing emergency accommodation for individuals at hostels or rehabilitation centres
- Helping people get back on their feet, for example, by paying for transport to where they have family support or buying a tank of petrol to enable them to earn money
- Supporting yoga and art programs at the New Farm Neighbourhood Centre
- 100% of Patrons' funds are used to directly help people within the community

CHOOSE TO BECOME A PATRON

- Your fully tax-deductible donation of \$1,000 will directly support vulnerable people in your community
- Meet and network with interesting and like-minded individuals and business people from your community at relaxed functions twice a year
- Your contribution will be acknowledged on our website and through our networks

PATRONS OF NEW FARM THANK OUR PARTNERS FOR THEIR SUPPORT
